

# DUCK DROP DERBY 2021!

Pittsford Youth Services invites you to become our community partner in presenting the

# 23rd Duck Drop Derby! Coming Fall 2021

For 23 years, Pittsford Youth Services' Duck Drop Derby has been a staple of family summer activities. In collaboration with the Town of Pittsford, the Derby is a warm summer night of music, raffles and silent auction prizes, children's activities and world class duck racing! In 2020, for the first time, the Duck Drop was cancelled due to the COVID pandemic. This year, with the uncertainty about guidelines and restrictions on large gatherings, PYS may have to create a virtual Derby in place of the live event. Stay tuned for updates as we work out the details!

*Dear Friends,*

More than ever, we need your support to make the 2021 Derby - whether live or virtual - as successful as possible! Over the past year, the COVID pandemic has impacted families and children in ways we could never have imagined.

The issues and obstacles that are facing our young people, have been amplified as a result of the pandemic and the isolation and sense of loss that many feel.

Throughout, PYS has continued to serve families both remotely and in person. We are always here as a resource for the those who need our services.

Our children are the future of our community, and improving their social/emotional/ mental health is at the core of what we do every day. These children, and our community as a whole, will be stronger and healthier as a result of your generosity.
