Dear Friends and Neighbors,

Since 1969, Pittsford Youth Services, Inc. (PYS) has been serving the Pittsford community by offering ***tangible solutions for the challenges and problems faced by children and families in our community.***

PYS provides professional support through confidential counseling services in the Pittsford schools and community by our licensed masters level social workers. Anxiety, bullying, eating disorders, family issues, grief and loss are serious issues our children face and impact their ability to have an emotionally healthy childhood.

***This is where you come in . . .***

As a small not-for-profit agency, we rely on your financial support. Your monetary donation will allow PYS to continue to provide social work services and implement programs that directly impact the community. With you as our partner, PYS can continue to provide these essential services.

***Thank you in advance for your support and recognition of our work. Your donation is vital to our organization and will make a difference.***

Sincerely,

Elisabeth Eberts  
Board President

Lisa Fulmer  
Executive Director
